

About the Plan

The Police and Crime Plan 2016-21 is all about keeping West Yorkshire safe and feeling safe.

It will guide the work of the police and other partners as we work to tackle crime and anti-social behaviour, protect vulnerable people and put victims first.

The priorities in the Plan have been informed by you and include improving road safety, combating child sex exploitation and human trafficking, tackling hate crime and better community cohesion.

Importantly this Plan sets out what we're going to deliver, how we're going to deliver it and how we - and you - will know we've delivered.

The heart of the Plan is working together to make a better West Yorkshire for everyone. Each of us has a role to play in improving the lives of people and their families across all of our communities.
