

1. The location/address of the Commissioner's new premises and date of anticipated move.

The Commissioner's Office does not hold this information.

Work is underway to identify suitable premises - the address and date of the move have yet to be determined.

2. When will the Commissioner's first open engagement with the public of West Yorkshire take place, eg, all constituent's public meeting, office surgery, street surgery?

Arrangements are being made to hold regular surgeries, in addition to other public events and consultation initiatives. Once details are finalised (ie, the date, venue and other arrangements) they will be published on the Commissioner's website.
