

Safer Communities Fund Terms and Conditions

1. Terms and Conditions

These are the rules that you have agreed to abide by if your bid is successful and you receive a grant through the Safer Communities Fund (SCF). You agreed to the terms and conditions when submitting your application form.

YOU MUST ATTEND OR BE REPRESENTED AT THE APPROPRIATE SAFER COMMUNITIES FUND AWARDS EVENING TO RECEIVE YOUR FUNDING.

2. Use of Grant

You **must** use any grant given for the purposes detailed and agreed in your application. The grant must not be used for any other purpose without prior written consent from the Office of Police and Crime Commissioner (PCC) for West Yorkshire. If any changes to your original application were to take place throughout your project, this must be approved first by the Engagement Manager. Please refer to point 3 for further information.

Grants are allocated for a twelve month term only.

The applicant named on the application form (Organisation and Contact Name) is solely responsible for the project throughout the grant period, including completing the evaluation forms upon project completion.

SCF does not allow monies to be pass ported or subcontracted to other organisations without declaring this in your original application form. Monies from the SCF fund cannot be given out as cash prizes. Refreshments are not eligible to be covered by the fund, further information is included in the Guidance Notes document.

If you fail to comply with any of the conditions set out in the Terms and Conditions then the PCC may require all or any part of the grant to be repaid. You must repay under this condition within 30 days of receiving the demand for repayment.

The PCC may terminate this agreement immediately by serving a written notice on the recipient if:

- a) the grant or any part of the grant is being used for any purpose other than the purpose set out in this Agreement
- b) you have been involved in any illegal activity or improper act in your administration

3. Changes to the Project Specification

You must inform the Safer Communities Fund Team as soon as possible of anything that might affect the delivery of the project and therefore the use of the grant. You must seek permission from the PCC before you make any changes to how the grant is used. This includes any delays in the project start or finish dates. Failure to notify the Office of the PCC (OPCC) of any significant changes to the original application may result in the grant being withdrawn and the organisation repaying any funds back to the PCC.

Please contact the Safer Communities Fund Team to discuss any issues or changes you wish to make as soon as possible.

4. Accountability

You must keep records showing how you have spent the grant, including receipts and or invoices. Copies of these must be attached to your evaluation/monitoring form for auditing purposes (the evaluation/monitoring form will be provided by the PCC 12 months after your project was awarded).

Where applicable, you and the PCC will be required to comply with the Freedom of Information Act 2000 (the "FOI Act"), any subordinate legislation made under the FOI Act and any guidance issued by the Information Commissioner. You agree to assist and cooperate with the PCC to enable the PCC to comply with their obligations under the FOI Act whenever a request is made for information which relates to or arises out of the Terms and Conditions.

5. Monitoring

You must agree to allow the PCC or representative to undertake a visit to your organisation to see how the grant is being used; you may also be visited by an Engagement Officer and or Auditor designated by the PCC. You will be contacted and given prior notice before any visit.

You **must** complete the evaluation/finance forms and return it to the PCC by the deadline set. Failure to submit evaluation forms will exclude you from reapplying to the Safer Communities Fund for any future projects. A blank copy of the evaluation forms required can be found on the website:
