

OFFICE OF POLICE AND CRIME COMMISSIONER FOR WEST YORKSHIRE

Record of decision made by the Police and Crime Commissioner

Title/Subject:

Transfer of employment from PCC to CC of Corporate Communications staff

Summary and recommendations:

Stage 2 Staff Transfer is a national requirement to identify the most appropriate employer for police staff and its implementation within West Yorkshire aims to support the delivery of an effective and efficient police service within the force area.

The West Yorkshire Stage 2 submission made to the Home Secretary on 3/3/14 identified functions, including Corporate Communications, where further consideration was required before implementation of any change to employment and direction and control arrangements.

A review of Corporate Communications' service provision was commissioned to ensure the requirements of the PCC and CC could be accommodated in arrangements following Stage 2 implementation.

This review recommended that the employment of Corporate Communications staff should be transferred from the PCC to the CC.

Police and Crime Commissioner decision:

To implement change of employer for Corporate Communications staff from PCC to CC.
