

Thank you for your request for information dated 7 March 2017.

You have requested a copy of a review into the coroner's officer functions in West Yorkshire. Please accept my apologies for the delay in responding to you - this was due to an administrative oversight. I can confirm that the information you requested was not held by the Office of the Police and Crime Commissioner (OPCC) and this email constitutes a refusal under the Freedom of Information Act.

I understand that you have also made a request, under the FOI Act, from West Yorkshire Police and this is presently being dealt with.
